

THE CHAMPERNOWNE TRUST WITH THE C.G. JUNG CLUB LONDON

Psychology, Imagination and the Arts

Champernowne Summer Course

Sunday 5th - Friday 10th August 2018

IMAGES OF POWER AND THE POWER OF IMAGES:

EXPLORING PSYCHOLOGICAL, ETHICAL AND SPIRITUAL ASPECTS

THIS YEAR'S THEME aims to explore and play with the various meanings of power, and the emotions evoked by it. By unwrapping the imagery and unconscious fantasies underlying the theme, and by looking at the troubling darkness of the shadow side, we may find a balance, both within and outside ourselves.

This is a rich and varied 5-day programme of creative workshops, inspiring talks and discussions, based on CG Jung's depth psychology, a unique immersive experience, refreshing for soul, heart and mind.
